POOL RULES AND REGULATIONS**

General. The following rules and regulations are for the protection and benefit of all persons to assure safe and sanitary operation of the swimming pool related facilities. The cooperation of the members will afford pleasant relaxation and recreation for everyone concerned. Members are requested to caution their children and the children of their guests, to observe the pool rules and regulations and to obey the instructions of the pool attendant and the lifeguards. Any failure to comply with the pool rules and regulations shall be considered sufficient cause for members to be deprived of the use of the swimming pool by the pool attendant, lifeguard on duty, the Pool Manager or the Club Manager.

Management of the Pool. Set forth below are the Pool Rules and Regulations for Cypress Point Country Club (the “Club”). All matters relating to the use of the swimming pool shall be controlled by the Club.

Hours of Operation. The pool season begins on the Saturday of Memorial Day weekend and closes after the Monday of Labor Day weekend. The hours that the swimming pool shall be open for use shall be 10 AM – 8 PM daily unless otherwise posted and are subject to change for special events. The Club will make every effort to notify members in advance of scheduled events and closings. The Club reserves the right to establish one day per week on which the swimming pool will be closed for necessary cleaning and maintenance. The day on which the swimming pool will be closed for cleaning and maintenance will be posted by the Club.

Registering. All members of the Club, their family members, and their guests must register with the pool attendant or lifeguard on duty upon entering the swimming pool area. The name of each member, family member, and guest must appear on the daily swimming pool attendant sheets maintained by the Club.

Closing of the Pool. The Pool Manager shall determine when the swimming pool shall be closed due to weather or maintenance conditions and shall further determine when the swimming pool may be reopened for use.

Personal Property. Members are reminded not to leave personal property unattended in the swimming pool area. The Club and the Owner shall not be responsible for lost or stolen personal property.

Guests. Pool members must obtain a pool pass for all local or out-of-town guests. Full members of the Club are encouraged to visit the club's accounting office to arrange for guest privileges. Pool members may bring guests to the pool and the fee is \$5 per guest per day. Should a pool member require multiple days of guest privileges then arrangements must be made with the Club's accounting office.

It is our intent to allow our several membership categories to enjoy our pool amenities. Guest fees are payable inside the Clubhouse or at the pool.
